

New Source Review newspaper advertisements for construction permit applications, June 28, 2018. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be or were published on one of the following dates: June 27, 2018, or June 28, 2018. Public notices are generally published every week. The previous publication of public notices was June 21, 2018.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Flowers Bakery of Crossville, LLC, with a mailing address of 1067 North Main Street, Crossville, TN 38555-4033. They seek to obtain an air contaminant permit (Division identification number: 18-0083-07/974025) for construction of a Donut (batter-based)-Making Operation at the same address. This proposed operation would consist of two natural gas-fired burners and associated equipment used to mix, handle, and deep fry batter-based donut products for two lines. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. R. Benjamin is the assigned Division person.

For the Cumberland County "Crossville Chronicle"--- publish once on Wednesday, June 27, 2018.

---

The applicant is Blalock Lumber Company with a mailing address of PO Box 4750 Sevierville, TN 37864. They seek to obtain an air contaminant permit (Division identification number: 78-0201-05/974095) for construction of a Concrete Batch Plant at 1836 Ridge Road Pigeon Forge, TN 37863. This proposed operation would consist of a concrete batch plant, gravel stockpiles, sand stockpiles, a silo, and associated equipment used to produce concrete ready mix. A baghouse would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Dolzen is the assigned Division person.

For the Sevier County "Mountain Press"--- publish once on Thursday, June 28, 2018.

---

The applicant is Dr. Reddy's Laboratories Tennessee, LLC with a mailing address of 201 Industrial Drive, Bristol, TN 37620. They seek to obtain an air contaminant permit (Division identification number: 82-0504-21, 22, & 23/ 73972) for modification of existing pharmaceutical manufacturing operations located at the same address. Sources 82-0504-21, 82-0504-22, and 82-0504-23 involve the coating of Amoxicillin pharmaceutical products. The modification involves an increase of production capacity. Wet scrubbers are used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by these sources. Mr. John Trimmer is the assigned Division person.

For the Sullivan County "Bristol Herald Courier"--- publish once on Thursday, June 28, 2018.

---

The applicant is Smyrna Ready Mix Concrete, LLC with a mailing address of 1136 Second Avenue North, Nashville, TN 37208. They seek to obtain an air contaminant permit (Division identification number: 95-0447-01/74118) for construction of a Dry Mix Concrete Batch Plant at 6100 East Division Street, Lebanon, TN 37090. This proposed operation would consist of a cement and fly ash split silo, a cementitious material silo, a batch type mixer, and associated equipment used to produce dry mix concrete. A baghouse and dust collector would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Dolzen is the assigned Division person.

For the Wilson County "Lebanon Democrat"--- publish once on Thursday, June 28, 2018.
